

IBEW Local 332 Embroidered Jacket Order Form

Unfortunately, Carhartt has moved most of its manufacturing to Mexico recently. We can no longer be guaranteed Union made/USA made jackets from Carhartt. We do have other options though. There are two different brands, Union Line is made in Kansas City, Missouri, and King Louie is made in Chicago, Illinois. Both manufacturers employ Union Labor and use heavy cotton duck comparable to Carhartt. The embroidery is Union tailored in Des Moines, Iowa.
